InformaCast®

MASS NOTIFICATION FOR HEALTHCARE

PROTECT STAFF

Provide staff with wearable badges that can be used to send requests for help when they find themselves under duress.
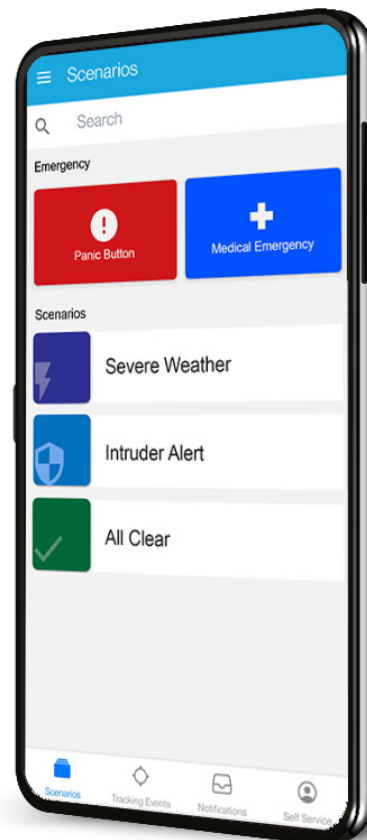

REACH EVERYONE

Utilize intrusive text and audio delivered to every communication channel available so no one misses a message.

MANAGE INCIDENTS

Handle critical events from start to finish with messages and resources accessible from anywhere to help address any crisis.

InformaCast is a mass notification system that enhances safety for staff and patients. It excels in the three most critical areas of emergency response: speed, reach and event management to get information to the people who need it, the moment they need it. Healthcare organizations use InformaCast to deliver Code Blue pages, protect staff with personal duress buttons, and enhance overall safety and communication at their facilities.

Industry-Leading, Award-Winning Mass Notification Solution For Over Two Decades

Healthcare Use Cases

STAFF SAFETY
Use the panic button in the InformaCast app or integrate with wearable panic buttons so staff can trigger alerts the moment they're in duress.

PAGING AND INTERCOM
Utilize live audio paging, ad hoc audio, and two-way handsfree intercom functionalities with desk phones, IP speakers, and existing analog overhead systems.

SHIFT COVERAGE
Send SMS texts and emails that ask for a response to help cover shifts due to ilness or inclement weather.

SCHEDULED MESSAGES
Schedule automated announcements for visiting hours and other regular messages.

IOT INTEGRATIONS
Connect to RFID tags for wander-risk patients to trigger overhead announcements when patients leave a designated area.

LOCKDOWNS
Lockdown areas of a building to protect patients and prevent violent intruders from entering sensitive areas.

CLEANUP
Create single-press buttons on desk phones and other devices to signal that areas are ready for cleaning or hazardous waste is ready for disposal.

GROUPS AND ZONES
Designate specific groups and zones to only receive certain messages to minimize disruptions in other parts of your facility such as visitor waiting areas.

Visit www.singlewire.com/demo or contact our sales team at sales@singlewire.com or 608-661-1140, to discuss how you can benefit from InformaCast.
